MEAL:

All Breakfasts will depend on preferred accommodation. Please make arrangements in advance.

Travel time from Moncton to Saint Martins: 1 hour and 40 minutes to Fundy Trail Parkway

Fundy Trail Parkway

DESCRIPTION:

The students would be made aware of their environment by watching for garbage receptacles, outhouses and water stations in order to keep the Trail clean. There will be a focus on where students are located on the Bay, N,E,S,W, fog and clouds will be touched on also. Identifying flowers, trees and browsing would be covered.

One of the main focuses of this field trip would be to have students learn about what to do before going on a hike. They should know some safety rules about hiking and what to do in case of an emergency. The guide on the hike would cover information on what to do, where to go and why these things should be done in case someone was to get lost in the woods. A bit of history and folklore are options for this age group, depending on time.

Saint Martins Caves.

These natural, exquisite results of erosion are always a popular interest for youths as they get the opportunity to see for themselves the power of the tides. They will have the opportunity to walk on the beach and explore the caves. This is possible during mid-tide to low-tide only, therefore alternating times with the visit to Fundy Trail may be necessary to make the best experience available to your group.

travel time from Saint Martins to Alma, New Brunswick: 1 hour and 35 minutes to Fundy National Park

Fundy National Park

DESCRIPTION:

When you arrive at the park, meet your interpreter at the Visitor Centre. This will also be the best opportunity for a washroom break for the students. After the guided walk, you may want to have a picnic and perhaps take a hike on one of our great trails before returning to school. Any preparation that you can do with your class about national parks and about the habitat we'll be visiting always enhances the experience for them and for us.

School programs are available from late May to late June and September through October. Please collect the fee ahead of time so as not to waste your valuable time in Fundy. Cheques can be made payable to Receiver General of Canada. We require the presence of at least one adult for each 15 students to ensure adequate supervision.

Albert County Museum

DESCRIPTION

Discover the People of the Tides. The Albert County Museum is a complex of **eight buildings** on a 6 acre site that includes original Shiretown buildings in their original locations. Canada's 11th Prime Minister, R.B. Bennett, came from Albert County, along with a colorful procession of pioneers, artisans, explorers, shipbuilders, farmers, a few charlatans and one convicted axe murderer, Tom Collins. If these walls could talk... and they do! Experience the Gaol cells where you are surrounded by the recently uncovered prisoner graffiti that makes every nook and cranny come alive. Explore through the **twenty-two themed galleries** of the museum and discover the captivating and thought-provoking stories of life in Albert County. Relax in our 20 seat theatre and watch our remarkable biographical film on Prime Minister Bennett's life. A personal Guided Tour will weave you through the intricate tapestry that is Albert County's History.

Group admission is available. Contact Donald to discuss.

MAGNETIC HILL

DESCRIPTION:

The award-winning Magnetic Hill, anchors the Magnetic Hill Theme Park. Ever since the area had been settled in the early 1800's, there were recurring stories of wagons running up on the heels of startled horses and of barrels and bales of dry goods rolling mysteriously "uphill"! The "Hill" was officially discovered in 1933 by two journalists from the Telegraph Journal. Just take your foot off the brake and coast uphill – in neutral! Be prepared to stay awhile to watch other cars, trucks and even tour busses repeat the stunt! Free for groups!
